

## **Locker Rental Policy (Updated)**

**Our beautiful renovated locker rooms will be opening soon!**

*Lockers will be rented via monthly automatic EFT only. Members currently renting a locker that has been prepaid will be given first choice of a new rental locker. If your locker is already on EFT, we just need to know your new locker number ending in "0", "4" or "5"*

*RENTAL LOCKERS NOW END IN "0", "4" OR "5". All other lockers will remain available for daily use. Please note: if a lock is left on a non rental locker overnight, it will be cut the following morning and the contents removed and stored for 30 days, then donated to charity if unclaimed.*

*Once the locker rooms re-open, please choose your locker (ending in "0", "4" or "5") and visit the front desk to complete a new LOCKER RENTAL EFT FORM. EFT payments will begin on the first day of the month your locker currently expires (plus one month waiver if you had paid through the renovation).*

### Monthly EFT Rates:

Large Locker	\$15
Medium Locker	\$10
Small Locker	\$8
