## The Edge Jr Programs & Pathway

Beginning January 2, 2018

The Edge Tennis is proud to present our **NEW Jr Pathway System**. The Pathway consists of tailor made programming for every level of player. Our Pathway will ensure developmental success and enjoyment for the game. There are three phases (1) **10& Under**, (2) **Developmental** and (3) **Competitive**.

**Red Ball: 10 & UNDER: The French Open I, II** Group will use the **Red** Ball to obtain the ball striking skills required for stroke development. The ball bounces slower and assists with coordination, balance and recovery skills. Players will transition between the Red Ball and the Orange Dot.

**Orange Ball: Developmental:** The Australian Open II and III Groups will transition to the **Orange** Dot Ball encouraging greater technical and strategic disciplines while still managing control. In this portion of the Pathway, players will transition between the Orange Dot and Green Dot Ball.

**Green Dot Ball: Developmental:** This Ball travels 25% slower than they regular yellow ball promoting a higher percentage of consistency. Jr's in these programs will have learn how to control pace and improve timing. These players will also transition into yellow ball drills.

**Yellow Ball: Competitive: US Open, Wimbledon and Qualifiers** will utilize the traditional ball to advance skills developed in the earlier Pathway phases. These players are competing in High School teams and USTA Tournaments.

**CONTACT Kevin Lizzo For Pathway Information**
