

Williston Field House Schedule – February 2019

- When the Field House is NOT rented (Open Field Times), it is a SHARED space. Members and guest of members must work together to ensure everyone has a place to play on the turf.
- The Williston Field house can be split into three fields – if one or two of the three fields are being rented, the unrented space can be used by members.
- Open Field Time – the days and times below are **subject to change** daily! To ensure there is space available, members must call the front desk to confirm Open Field Times.
- Reminder – everything taken into the field house must be taken out and that includes clothes and trash.
