This class is appropriate for all fitness levels and for boxing beginners as well as those with boxing and or heavy bag experience. Class is 55 minutes and includes core work and a stretch.

**EDGEBeatBox:** This 55 min class uses the music to drive the workout and the combinations. Choreographed to the music during this training session you can expect an onslaught of punch combinations mixed with cardio and/or strength intervals. Class finishes with core work and a cool down.

**EDGEPowerBox:** During this 55 minute class it is you vs. the bag. Intense boxing combinations with dynamic movements for a focus on developing reflexes, timing, agility, power and speed.

### **Why box?**

Boxing is a perfect combination of strength training and cardio. You will also work on your balance, coordination, reflexes, and agility. Muscular endurance, lower resting heart rate, decreased stress, and improved body composition, are also benefits of boxing workouts.
