Signups required for all classes.

Sign-ups start 72 hours in advance of the class start time online,

(a) www.edgevt.com, on the EDGE app, or by phone. In a full class situation, if you have signed up and have not checked in 5 minutes prior to class your spot will be given to a waiting member.

Please bring your own mat for yoga, BODYBALANCE, or any class you need/want a mat.

For your safety and comfort, we recommend water shoes for all aqua classes.

Class Descriptions:

BODYPUMP™ is the original barbell class that strengthens your entire body. This 60-minute workout challenges all your major muscle groups by using the best weight-room exercises like squats, presses, lifts and curls. Great music, awesome instructors and your choice of weight inspire you to get the results you came for – and fast!

BODYATTACK™ is the sports-inspired cardio workout for building strength and stamina. This high-energy interval training class combines athletic aerobic movements with strength and stabilization exercises. Dynamic instructors and powerful music motivate everyone towards their fitness goals from the weekend athlete to the hard-core competitor!

BODYSTEP® - The energizing step workout that pushes fat-burning systems into high gear. This class is ideal for members who love to get their groove on and have a little fun as they work out.

BODYCOMBAT™ is the empowering cardio workout where you are totally unleashed. This fiercely energetic program is inspired by martial arts and draws from a wide array of disciplines such as karate, boxing, taekwondo, tai chi and muay thai. Supported by driving music and powerful role model instructors, you strike, punch, kick and kata your way through calories to superior cardio fitness.

Les Mills TONE™If you want the optimal mix of strength, cardio and core training this is it. Step into a LES MILLS TONE class and you'll tick off a complete workout in 55 minutes. The challenging mix of lunges, squats, functional training and tubing exercises will help you burn calories and take your fitness to the next level. Also, a great foundational class, LES MILLS TONE has a wide variety of options accommodating all fitness levels, ensuring

everyone leaves the workout feeling successful.

Les Mills CORE Revolutionary Core Training! This 30-minute class is a challenging core workout that features a mix of isolation exercises and integrated moves.

BODYBALANCE™ (formerly known as BODYFLOW) is the Yoga, Tai Chi, Pilates workout that builds flexibility and strength and leaves you feeling centered and calm. Controlled breathing, concentration and a carefully structured series of stretches, moves and poses to music create a holistic workout that brings the body into a state of harmony and balance.

<u>LES MILLS GRIT Cardio</u>[™] is 30-minutes of <u>high intensity interval training (HIIT)</u>, developed by experts to deliver transformative results. GRIT Cardio will improve cardiovascular fitness, increase speed and maximize calorie burn. This workout uses a variety of body weight exercises and provides the challenge and intensity you need to get results fast.

Les Mills Strength Development This is not your typical group fitness class. Whether you are new to lifting or a seasoned pro; LES MILLS Strength Development will build muscle, improve your technique, and grow your confidence so you can train more powerfully in the studio and on the gym floor! Aimed at those wanting to get stronger, LES MILLS Strength Development is a sequence of 12 x 45-minute progressive workouts. These strengthbuilding workouts are designed not only to help you get strong but also to improve your overall technique. No lifting experience necessary! We recommend 2 classes/week. Each week will have a different focus for the workout (ex. Hypertrophy, power and athleticism, pure strength, etc.). See signups for the focus for specific classes. Questions email kimg@edgevt.com Classes are limited to 11 participants.

Dance away your worries in this "feel –happy" class. Motivating music, high energy instruction, "fun and easy to do" movements make this the perfect class for fat burning and total body toning. It's a mixture of body sculpting movements with easy-to-follow dance steps. Come check it out. All fitness levels

Zumba Gold Zumba Gold is a modified version of Zumba geared toward active, older adults or anyone seeking lower-impact workouts. Enjoy the same great music and energy of a Zumba class with easier to follow moves that are more fluent to minimize stressful jerking, twisting and other potentially

harmful motions. (EEAP approved)

Intro to BODYPUMP™ In these classes our goal is for you to feel confident stepping into any class. We will introduce you to the format, talk about what to expect and go over some basic moves. Come prepared to work out as we will actively work on technique and there will be a short demo of class to finish. No class in December - class resumes in January.

Indoor Cycle Instructor will coach riders through a mix of intervals, rolling hills, runs, sprints and climbs to a wide variety of energizing music for

cardiovascular endurance and leg strength and endurance.

RPM

is a group indoor cycling workout where you control the intensity. It's fun, low impact and you can burn up to 500 calories a session. With great music pumping and the group spinning as one, your instructor takes you on a journey of hill climbs, sprints, and flat riding.

LES MILLS SPRINT is a 30-minute High-Intensity Interval Training (HIIT) workout, using an indoor bike to achieve fast results. It's a short, intense style of training where the thrill and motivation comes from pushing your physical and mental limits.

<u>Gentle Yoga</u>: An opportunity to create unity, oneness and connection allowing us to explore ways to become aligned balanced and centered. Focus on breathing, muscle tone, balance, relaxation and flexibility in this inspiring class. Good for everyone. (EAAP approved)

Yoga Flow: Flow through postures in unison with the breath. Time is taken to focus on body, mind and spirit. A full range of postures are explored and class starts slowly and gradually climbs to a peak then a gradual descent ending with relaxation.

EAAP Classes:

Qigong In this class, the group is lead in simple, repetitive, precise set of movements with health benefits. Some of the noted benefits are improvement in balance, flexibility, grounding, stress reduction, and breathing efficiency. No experience necessary and all are welcome!

<u>Functional Fitness (EAAP)</u> This class will help keep the mature adult moving and improve performance in everyday life activities. This class combines low impact cardio, strength and core. We'll focus on mobility, flexibility, range of motion and balance. A variety of equipment may be used; hand weights, resistance bands, balls, etc. For Essex class, please bring your own mat. Participants in Essex should be prepared for a more rigorous class. Senior Strength (EAAP): This 60 min class will improve your overall fitness for everyday life. Class will combine stretching, cardio, free weight exercises, bodyweight exercises, balance and core work for integrated, functional fitness. Chairs may or may not be used for assisted or isolated movements, options and modifications for all levels.

Aqua Arthritis Increase range of motion and strength in your joints without the pain and limitations of working out on land. The water increases your ability to move by providing support and your strength by adding resistance. Class is appropriate for all ages and all types of arthritis or anyone with limited mobility.

Aqua Fit Cardio A moderate to high intensity athletic aquatic workout suitable and fun for ALL LEVELS. This class focuses on powerful movement combinations through the water to improve cardio-respiratory fitness and endurance. Options will be provided to customize the workout to YOU!

Equipment such as noodles and aqua dumbbells may be used.

Aqua Fit Strength

A moderate to high intensity athletic aquatic workout suitable and fun for ALL LEVELS. This class focuses on compound movements using equipment such as noodles and aqua dumbbells along with the resistance of the water to improve strength, balance, and flexibility. Options will be provided to customize the workout to YOU!

Aqua Conditioning This class is moderately paced and uses only the resistance of the water to build strength, flexibility and balance. Class is held in the pool at Gauthier Dr and is appropriate for anyone.

Aqua Walking Workout (AWW): This is a fun, social, and therapeutic class. Walking in various ways, with different strides and using your arms will strengthen your core, increase your balance, coordination and flexibility and relieve stress.

<u>Cardio Surge</u> Get an awesome workout without all of the jumping. Make the most of low impact exercises in the pool. This class provides a fun yet challenging workout for all levels. Equipment such as noodles and aqua dumbbells may be used.

Small Group Training Classes: Payment required at sign up - members \$15/class; non-members \$20/class. Space is limited. Please bring your own wraps. We have a limited supply of gloves

CircuitBox In this circuit style HIIT class you will train like a boxer with a circuit of total body conditioning, strength training, cardio, and heavy bag work. This class is for all fitness levels, no boxing experience necessary. Every week will present a new challenge and a new workout.

PowerBox - This heavy bag class is you vs. the bag. Authentic training and combinations paired with conditioning exercises. No boxing experience necessary - all fitness levels welcome!
