ABOUT OUR PROGRAMS

SOCIAL OPEN PLAY

LEVELS: Low Intermediate (2.5–3.0) Intermediate (3.0–3.5) Advanced (3.5–4.0)

FORMAT: Rotational Courts

Winners stay on the court and split up, while the losing team exits. The next two players in line enter and pair up with the previous winners. Games are capped at 11 points to minimize waiting. Paddle racks are available for each court to indicate who’s up next.

COMPETITIVE OPEN PLAY

LEVELS: 3.5, 4.0, 4.5+ & COMBO (3.5–4.0) (4.0–4.5)

FORMAT: Challenge Courts + Rotational Courts

Challenge Courts: Winners stay until they lose! Any pair can challenge the winners and earn their spot on the challenge court. 1 challenge court for 3 court sessions and 2 for 4 court sessions. 3.5 competitive open play runs rotational courts only.

Rotational Courts: Winners stay and split, and the losing team exits the court. The next two players in line enter the court and pair up with the previous winners. Games are capped at 11 points to minimize waiting between games.

TIMED LADDER OPEN PLAY

LEVELS: 3.5–4.0 & 4.25–4.5+

This exciting new format is perfect for competitive players and those looking to improve their game. At each session’s start, staff will assign players to courts based on skill level—higher-level players on one end and those working on their skills on the other.

Games are timed at 12 minutes. When time is up, players move up a court if they win or down if they lose. Teams will switch sides after each round, regardless of the outcome. There are 3-minute breaks between games for hydration and rest. In case of a tie at the end of 12 minutes, the game will use rally scoring where the next point wins.

KING COURT OPEN PLAY

LEVELS: 3.5–3.75 & 4.0–4.25

Sessions run on 2 courts and host 10 players. The top court is The King Court, the bottom court is the feeder/rotational court.

On the King Court, winners stay together as long as they’re winning! If the pair on the bottom court wins, they stay together and move up to challenge the Kings! If you lose on King Court, you bump back down the bottom court and split. The next waiting pair will rotate onto the bottom court and split with the team moving back to court 2. If you lose on the bottom court, you rotate off. This format is best for players who enjoy a lot of games at an open play session.
