LES MILLS BODYFLOW

BODYFLOW™ is the Yoga, Tai Chi, Pilates workout that builds flexibility and strength and leaves you feeling centered and calm. Controlled breathing, concentration and a carefully structured series of stretches, moves and poses to music create a holistic workout that brings the body into a state of harmony and balance.

**LES MILLS
barre** **NEW!** LES MILLS BARRE™ is a modern version of classic balletic training; a 30-minute workout designed to shape and tone postural muscles, build core strength, and allow you to escape the everyday. Incorporating classic ballet positions, with modern music, LES MILLS BARRE is a combination of cardio and strength with high reps of small range-of-motion movements and very light weights. If you're seeking a different style of training or a new kind of self-expression, you will love LES MILLS BARRE. Without the traditional barre to support you, the muscles supporting your body's stability and strength becomes the focus. It may look beautiful, but don't underestimate the burn.

Schedules are subject to change. Classes are 1 hour unless otherwise noted. Class may be cancelled if there are less than 3 participants.

DO NOT enter the studio after class has begun; NO outdoor shoes in the studio.
