Body Sculpting/Muscle Conditioning

Core Strength & Flexibility Through Pilates, yoga and functional strength exercises you will improve core strength, flexibility, range of motion and balance. We use a variety of equipment such as stability balls, hand weights and resistance tubing. All levels welcome.

BODYPUMP™ is the original barbell class that strengthens your entire body. This 60-minute workout challenges all your major muscle groups by using the best weight-room exercises like squats, presses, lifts and curls. Great music, awesome instructors and your choice of weight inspire you to get the results you came for – and fast!

Floor Aerobics

BODYATTACK™ is the sports-inspired cardio workout for building strength and stamina. This high-energy interval training class combines athletic aerobic movements with strength and stabilization exercises. Dynamic instructors and powerful music motivate everyone towards their fitness goals - from the weekend athlete to the hard-core competitor!

Step Aerobics

Step Step aerobics followed by abdominal work and a stretch makes this class a popular choice.

Step Interval Step aerobics with intervals of strength training. This format sends the heart rate soaring.

BODYSTEP® - The energizing step workout that pushes fat-burning systems into high gear. This class is ideal for members who love to get their groove on and have a little fun as they work out.

BODYCOMBAT™ is the empowering cardio workout where you are totally unleashed. This fiercely energetic program is inspired by martial arts and draws from a wide array of disciplines such as karate, boxing, taekwondo, tai chi and muay thai. Supported by driving music and powerful role model instructors, you strike, punch, kick and kata your way through calories to superior cardio fitness.

More Options

tone

If you want the optimal mix of strength, cardio and core training this is it. Step into a LES MILLS TONE class and you'll tick off a complete workout in 45 minutes. The challenging mix of lunges, squats, functional training and tubing exercises will help you burn calories and take your fitness to the next level. Also a great foundational class, LES MILLS TONE has a wide variety of options accommodating all fitness levels ensuring everyone leaves the workout feeling successful.

 **CXWORX** Revolutionary Core Training! This 30 minute class is a challenging core workout that features a mix of isolation exercises and integrated moves. “Based on cutting-edge scientific research, this program is the ultimate way to get a tight and toned core. With dynamic training that hones in on your abs, glutes, back, obliques and “slings” connecting the upper and lower body, this workout will leave you looking good and feeling strong.”

 **barre** LES MILLS BARRE™ is a modern version of classic balletic training; a 30-minute workout designed to shape and tone postural muscles, build core strength, and allow you to escape the everyday. Incorporating classic ballet positions, with modern music, LES MILLS BARRE is a combination of cardio and strength with high reps of small range-of-motion movements and very light weights.

If you're seeking a different style of training or a new kind of self-expression, you will love LES MILLS BARRE. Without the traditional barre to support you, the muscles supporting your body's stability and strength becomes the focus. It may look beautiful, but don't underestimate the burn.

 **BODYFLOW** is the Yoga, Tai Chi, Pilates workout that builds flexibility and strength and leaves you feeling centered and calm. Controlled breathing, concentration and a carefully structured series of stretches, moves and poses to music create a holistic workout that brings the body into a state of harmony and balance.

 **ZUMBA** Dance away your worries in this “feel –happy” class. Motivating music, high energy instruction, “fun and easy to do” movements make this the perfect class for fat burning and total body toning. It's a mixture of body sculpting movements with easy to follow dance steps. Come check it out. All fitness levels encouraged.

LES MILLS GRIT 30 minutes of high-intensity interval training. Driving music, cutting edge HIIT training, and a coach who will be there to motivate you to go harder to get fit fast! There are 3 formats:

Strength: Using a barbell, weight plates, and bodyweight exercises you will blast all your major muscle groups to improve strength, cardiovascular fitness and build lean muscle.

Athletic: This workout often uses a step, bodyweight exercises and multi-dimensional sports conditioning training to increase your overall athletic performance: strength, speed, agility, and power.

Cardio: Using a variety of bodyweight exercises to provide challenge and intensity this workout will improve your cardiovascular fitness, increase speed, and maximize calorie burn

Cardio Strength Start with a cardio blast and follow it up with strength training. Cardio segment may include traditional floor aerobics, step, cardio kickboxing, etc. During the strength portion, body weight and free weights used to increase overall strength. This class is appropriate for all fitness levels.

Schedules are subject to change.
