Weekly Themes

June 14th-June 18th, 2021 VT life - Welcome to the Green Mountain State! This week we will learn all about Vermont's wild life and nature. Plan to collect materials found in nature to create beautiful fairy homes for your garden or backyard. We will spend a great deal of time outdoors exploring.

June 21st-25th, 2021 Mad Science- Let's get our science on this week. Make things explode? Sure! Turn a liquid to a solid? No problem! Come and get your geek on during this week of science experiments.

June 28th-July 2nd, 2021 Party in the USA- Come celebrate the red, white and blue with us. We will learn about our American flag and what makes us GREAT! This week we will tie dye, make 4th of July banners, play Olympic style games and end the week with a field day.

July 5th-9th, 2021 Fear Factor- (CLOSED Monday July 5th) Do you have what it takes? Face your fears during this week of fun competitions and challenges. Can you guess what you're touching when your eyes are closed? Will you eat a bug or win the cricket challenge? You'll have your chance this week. Join us? I dare you!

July 12th- 16th, 2021 CSI-Fight crime and solve mysteries. We will play a real life game of CLUE. Who done it? Work together and find clues to figure out who stole the cookies from the cookie jar. Bonus: Can your team make it out of the ESCAPE room before the timer beeps?

July 19th- 23rd, 2021 Space Jam- We are blasting off to outer space this week. We will explore the solar system by creating Papier Mache' Planets, constellation jars and space shadow puppets. We will also build and launch model rockets and race flying shuttle gliders. Let's hope we don't fly into any alien traffic.

July 26th- 30th, 2021 Aqua Adventure- This week is filled with all things water. Water balloons, sprinklers, pool... The list goes on! Your bathing suit is needed all day, every day this week.

August 2nd-6th, 2021 Minute to Win it- Can you beat the clock? You have 60 seconds. This week is all about playing games using common items you'd find at camp. Games will include Stack Attack, Breakfast Scramble, Feather Up, Back flip.

August 9th-13th, 2021 Inventors workshop- Do you like Science, Technology, Engineering, Art and Math? If so, you will love this week filled with creating, testing, problem solving and collaboration.

August 16th-20th, 2021 Fun and Fitness- This week is about being active and having fun. We will participate in sports and fitness activities that teach us how to work together and improve our gross motor skills. We will try out dance, yoga, Parisi Speed School, and tennis to build strength, speed and skill.
