EDGE TEAM TRAINING

Small Group Training Options for February

***EDGEBOXING BASICS**

In this 45 min class learn how to wrap your hands, basic stance and punches. We will practice hitting the bag followed by a short class demo. The different class formats will be explained.

Sign-ups start 1 week before class.

We have a limited supply of wraps available for this class. Wraps are available for purchase at the front desk. We provide boxing gloves.

This class is FREE and open to members and non-members.

***EDGE FIT-FORCE BOOT CAMP: with Master Trainer/Coach, Brian Rich**

Transform your body and mind to a higher level of fitness, health, and mental well-being. GET RESULTS by meeting with your coach three day per week (Mon, Wed, and Fri @ 5:30 am). Your training will be progressive and goal oriented. Starting with the basics and progressing into more advanced and challenging training as your fitness and mental focus improves.

You will receive intense, progressive, results driven training; assessments before and after consisting of: # of pushups in a minute, sit-ups in a minute, sit and reach, weight and body fat % plus support of your fellow boot campers and the unparalleled expertise of master trainer Brian Rich.

Maximum number of recruits is 10. Space is limited and payment is due at time of registration.

Next session starts March 8th! Enrollment starts February 26th.

TRX Total Body: In this class you will use the TRX suspension trainer for a total body, core-focused workout. You will work through a progression of foundational exercises - plank, push, pull, hinge, lunge, squat, and rotate - to improve mobility, endurance, and strength.

SPEED: Push your fitness to a different level. Focus in this class is on speed, agility, and strength through interval training. On Tuesdays we practice sprinting, how to sprint, as well as reaping the cardiovascular benefits from it. On Thursdays we do interval weight training with either dumbbells or kettlebells, as well as various bodyweight challenges.

Fit Box: An authentic boxing workout combining proper boxing technique with intervals of cardiovascular work and recovery. Learn the basic punches and defensive moves using a progressive approach throughout the workout - bouts of hitting the heavy bag with rounds of conditioning and cardio to keep the heart pumping. This class is appropriate for all fitness levels and for boxing beginners as well as those with experience. Participants must bring their own wraps & boxing gloves.

Power Box: This 55 min class is you vs. the bag! Intense, simple boxing combinations with dynamic movements for a focus on developing reflexes, timing, agility, power, and speed. Participants must bring their own wraps & boxing gloves.

(We have a limited supply of gloves and wraps for sale at the front desk in Williston)
