

## Private Swim Lessons – Frequently Asked Questions

### What are the current health and safety protocols?

The EDGE has consistently maintained strict health and safety protocols since re-opening in June. Upon entering any EDGE facility each person must answer a brief health survey and have his/her temperature taken with a no-contact thermometer. Masks will be required at all times, except while in the water for the lesson. Only the child and parent may be in the pool area – we do not currently allow for multiple family members to gather on deck during the lesson.

### Must a parent be in the water for the lesson?

If a child is not a safe, independent swimmer in deep water, an adult from the same household must accompany the child in the water for the lesson. All EDGE pools are 4 to 4.5 feet deep, so the adult typically stands to assist the child through skills while the instructor teaches from the pool desk while wearing a mask. Masks are not required for children or parents while in the water.

### Are locker rooms and showers available?

Locker rooms and smaller pool-side family changing rooms are available at most clubs. A poolside shower is available for rinsing off before and after the lesson. Locker room showers are not available at this time.

### What should I bring to the lesson?

A large towel or two and a swim suit. Very young children would require a disposable swim diaper as well as an outer cover or fitted swim suit. Goggles are not required but are recommended for ages 4 and older. Some people like to bring flip flops or sandals for the pool deck. Infants and toddlers can bring favorite water toys to their lesson if the parent thinks it would be helpful.

### Can another child or family member swim around during the lesson?

No - the lesson space will be reserved for the child or child/parent pair only.

### How often are the lessons and how long do they last?

We typically schedule a weekly lesson on the same day/time however you may discuss a different lesson schedule with your instructor. Each lesson lasts 30 minutes.

### What are the lesson package options?

We offer 4, 6 and 8-packs of lessons.

4-Pack Member \$120 / Non-Member \$180

6-Pack Member \$160 / Non-Member \$240

8-Pack Member \$190 / Non-Member \$285

\* Swim lesson packages are sold per swimmer and are not 'shared' or 'transferable'.

### What if I need to cancel or reschedule?

We understand that things can pop up, however we observe a 24-hour cancellation policy. Late cancellations or no-shows are billed.
