EDGE TEAM TRAINING \$\$

Boxing, Bootcamp, TRX, SPEED for JULY now on a separate schedule

Class descriptions:

BODYPUMP™ is the original barbell class that strengthens your entire body. This 60-minute workout challenges all your major muscle groups by using the best weight-room exercises like squats, presses, lifts and curls. Great music, awesome instructors and your choice of weight inspire you to get the results you came for – and fast!

BODYATTACK™ is the sports-inspired cardio workout for building strength and stamina. This high-energy interval training class combines athletic aerobic movements with strength and stabilization exercises. Dynamic instructors and powerful music motivate everyone towards their fitness goals - from the weekend athlete to the hard-core competitor!

Step & Strength Step aerobics with intervals of strength training. This format sends the heart rate soaring.

Step Challenge Low impact, high intensity step class followed by core conditioning.

BODYSTEP® - The energizing step workout that pushes fat-burning systems into high gear. This class is ideal for members who love to get their groove on and have a little fun as they work out.

BODYCOMBAT™ is the empowering cardio workout where you are totally unleashed. This fiercely energetic program is inspired by martial arts and draws from a wide array of disciplines such as karate, boxing, taekwondo, tai chi and muay thai. Supported by driving music and powerful role model instructors, you strike, punch, kick and kata your way through calories to superior cardio fitness.

Les Mills TONE™

If you want the optimal mix of strength, cardio and core training this is it. Step into a LES MILLS TONE class and you'll tick off a complete workout in 55 minutes. The challenging mix of lunges, squats, functional training and tubing exercises will help you burn calories and take your fitness to the next level. Also a great foundational class, LES MILLS TONE has a wide variety of options accommodating all fitness levels ensuring everyone leaves the workout feeling successful.

Les Mills CORE: Revolutionary Core Training! This 30 minute class is a challenging core workout that features a mix of isolation exercises and integrated moves. "Based on cutting-edge scientific research, this program is the ultimate way to get a tight and toned core. With dynamic training that hones in on your abs, glutes, back, obliques and "slings" connecting the upper and lower body, this workout will leave you looking good and feeling strong."

BODYFLOW™: is the Yoga, Tai Chi, Pilates workout that builds flexibility and strength and leaves you feeling centered and calm.

Controlled breathing, concentration and a carefully structured series of stretches, moves and poses to music create a holistic workout that brings the body into a state of harmony and balance.

Dance away your worries in this "feel –happy" class. Motivating music, high energy instruction, "fun and easy to do" movements make this the perfect class for fat burning and total body toning. It's a mixture of body sculpting movements with easy to follow dance steps. Come check it out. All fitness levels

Livestream Yoga Flow: In this class your body will move in unison with breath. Time is taken to focus on mind, body and spirit. A full range of postures are explored, combined with focused deep breathing.

LES MILLS GRIT™ Strength is a 30-minute high-intensity interval training (HIIT) workout, designed to improve strength, cardiovascular fitness and build lean muscle. This workout uses barbell, weight plate and bodyweight exercises to blast all major muscle groups. LES MILLS GRIT Strength takes cutting-edge HIIT and combines it with powerful music and inspirational coaches who will be down on the floor with you, motivating you to go harder to get fit, fast.

Functional Fitness(EDGE 55+) This class will help keep the mature adult moving and improve performance in everyday life activities. This class combines low impact cardio, strength and core. We'll focus on mobility, flexibility, range of motion and balance. A variety of equipment may be used. Such as hand weights, resistance bands and stability balls. Preregistration is required.
