

# Pickleball Reservation Policies

## January 2023

We are currently experiencing a very high demand for Pickleball Court reservations. In order to be fair to the Pickleball membership please abide by the following reservation and use policies:

- A member is entitled to 1 reservation opportunity/day.
- A singles reservation for 1 hour requires 2 names of actual people playing.
- A doubles reservation for 1.5 hours requires 4 names of actual people playing.
- Open Play is considered a reservation opportunity.
- All players must check in with front desk for their court assignment.
- DO NOT USE NAMES other than actual players on a reservation.

**Open Play:** In order to best serve our Pickleball community, please register for your appropriate Open Play skill level.

No-Show or Abuse of Reservation Policy:

- 1st offense – Reminder from Director via phone call or email.
- 2nd offense – 1 week suspension of court reservation privileges.
- 3rd offense – 1 month suspension of court reservation privileges.
