Virtual Class Descriptions:

BODYPUMP™ is the original barbell class that strengthens your entire body. This 60-minute workout challenges all your major muscle groups by using the best weight-room exercises like squats, presses, lifts and curls. Great music, awesome instructors and your choice of weight inspire you to get the results you came for – and fast!

BODYATTACK™ is the sports-inspired cardio workout for building strength and stamina. This high-energy interval training class combines athletic aerobic movements with strength and stabilization exercises. Dynamic instructors and powerful music motivate everyone towards their fitness goals - from the weekend athlete to the hard-core competitor!

BODYCOMBAT™ is the empowering cardio workout where you are totally unleashed. This fiercely energetic program is inspired by martial arts and draws from a wide array of disciplines such as karate, boxing, taekwondo, tai chi and muay thai. Supported by driving music and powerful role model instructors, you strike, punch, kick and kata your way through calories to superior cardio fitness.

Les Mills CORE Revolutionary Core Training! This 30-minute class is a challenging core workout that features a mix of isolation exercises and integrated moves.

BODYBALANCE™ (formerly known as BODYFLOW) is the Yoga, Tai Chi, Pilates workout that builds flexibility and strength and leaves you feeling centered and calm. Controlled breathing, concentration and a carefully structured series of stretches, moves and poses to music create a holistic workout that brings the body into a state of harmony and balance.

LES MILLS GRIT™ is 30-minutes of [high intensity interval training \(HIIT\)](#), developed by experts to deliver transformative results. GRIT Cardio will improve cardiovascular fitness, increase speed and maximize calorie burn. This workout uses a variety of body weight exercises and provides the challenge and intensity you need to get results fast. Grit Strength is designed to improve strength, cardiovascular fitness and build lean muscle. This workout uses barbell, weight plate and bodyweight exercises to blast all major muscle groups. LES MILLS GRIT takes cutting-edge HIIT and combines it with powerful music and inspirational coaches who will be down on the floor with you, motivating you to go harder to get fit, fast.

RPM™ is a group indoor cycling workout where you control the intensity. It's fun, low impact and you can burn up to 500 calories a session. With great music pumping and the group spinning as one, your instructor takes you on a journey of hill climbs, sprints, and flat riding.

LES MILLS SPRINT™ is a 30-minute High-Intensity Interval Training (HIIT) workout, using an indoor bike to achieve fast results. It's a short, intense style of training where the thrill and motivation comes from pushing your physical and mental limits.

LES MILLS DANCE is a 45-minute high-energy workout that will challenge and move you. Each class includes 10 stand-alone tracks, with each introducing new choreography. The workout is anchored in 3 cardio peaks, a warm-up, and a cool-down.

It combines innovative dance movements with the latest music to drive energy and motivation in every move. With a focus on movement and technique, LES MILLS DANCE is simple to master and a great option for those who want to improve their dance skills while getting fit or for anyone who loves to dance.

Registering for virtual classes allows us to keep track of attendance and thus be able to adjust the schedule to actual usage.
