ABOUT OUR PROGRAMS

CLINICS

FREE Rating Clinic: Are you a player who is curious about your skill level and which open plays are best for you? This is an excellent opportunity to be assessed and rated by our team of certified pickleball pros!

Drop in Drills: These one-hour clinics are designed for 3.0-3.5 players who are interested in developing various skills and tactics. Instructors will offer a combination of drills and drill games, as well as cater to any requests the students have. If you would like to work on a specific shot, team concepts, or anything you are curious about exploring and adding to your game, just ask!

Advanced Skills & Drills: In this clinic 3.5+ and 4.0+ players will learn advanced skills, tactics and shots. Sessions will focus on specific topics and concepts such as kitchen tactics, counters, lobs strategies, attacking and defending off the bounce and serve and return strategies.

Next Gen Youth Clinic: We are excited to offer Pickleball Youth Clinics! This clinic hosts up to 8 players and focuses on fundamentals, basic tactics and lots of FUN! We can supply balls and paddles. Non-marking tennis shoes are required and athletic wear is recommended.

Live Ball Drills: This clinic is designed to practice specific in game scenarios with other similarly skilled players. The coaches will present a scenario and feed a ball that resembles the scenario. For example, team A just got lobbed by team B. The instructor sets up the play and feeds team A a lob. Or Team A, returned a short ball to team B. The instructor then feeds team B the short return and we play out the point.
